ANYTHING YOU CAN DO, I CAN DO HIGHER

DJ HOLLY WEED

DJ × Stoned Circus. Las Vegas. Any kind of music, any time — and the first season delivered: three separate one-hour sets at Southwest Flow Festival, plus sets during build and tear down with Camp VIP at Burning Man. A performance, not just a set.

RAP REMIXES · RIDDIM · DRUM & BASS · TECHNO · HARDSTYLE · CHILLSTEP · EDM · ROCK · ALT · ANY MUSIC, ANY TIME

NO RULES

Rap remixes into riddim into hardstyle into rock. Genre lines are a suggestion she declines.

NO WARM-UP

Zero to festival sets in one season. The momentum is a track record now.

EVERY GOAL

Sets goals in public, hits them on schedule. Burning Man was first. Next: Pachi Pachi and Dystopia ATX.

BIO

DJ Holly Weed came to the decks from the circus stage — years performing for crowds of thousands at MGM Grand, EDC's main stage and AREA15, sharing stages with RÜFÜS DU SOL, Marshmello and Desert Dwellers. She booked Burning Man before she'd played a single set, then delivered: three separate one-hour sets at Southwest Flow Festival and sets during build and tear down with Camp VIP (Very Inappropriate People) at Burning Man 2026. Her sets run any kind of music, any time — remixes of rap, riddim, drum and bass, techno, hardstyle, chillstep, EDM, rock, alt — with circus surprises built in. Up next: opening Pachi Pachi in downtown Las Vegas (November 13) and Dystopia in Austin with Dragonwolf Productions (January 16, 2027). Anything you can do, she can do higher.
